

SuSChemE-SUSTENS2

Sustainable Chemical Engineering Systems

29 – 30 June 2026

Athens, Greece

The conference series of SuSChemE & SUSTENS HUB join forces to host a **Special Conference Edition** at the *Royal Olympic Hotel in Athens* on 29–30 June 2026.

Conference Topics

1. Green & Sustainable Technologies
2. Biotechnology Engineering Systems
3. Power-to-X Systems
4. AI-Driven Engineering Solutions
5. Process Engineering & Industrial Applications
6. Safe & Sustainable by Design Processes and Materials

Abstract Submission Deadline: 28 February 2026

Abstract
Submission

Publication opportunities

- **Book of abstracts**
- **Conference Proceedings**
- Full papers in **Industrial & Engineering Chemistry Research** (ACS) and **Biochemical Engineering Journal** (ELSEVIER)

Awards

- ★ Best presentation: 500 €
- ★ Best poster: 300 €

Registration fees

Early Bird from €250 | Regular from €500 (students & standard rates available)
